

Peterchurch COVID-19 Response: VOLUNTEERING

The Parish Council, working with The Hub at St Peter's and Peterchurch Village Hall, are seeking volunteers to provide support to people who are vulnerable and isolated. The aim is to offer the following kinds of assistance:

Maintaining regular contact via telephone or email; shopping for and delivering food/essential items; collecting and delivering prescriptions; looking after pets and livestock due to illness or isolation.

If you're willing to provide help, please let us have your details...

Name: _____

Address: _____

Home tel: _____ Mobile: _____

Email (if you have one): _____

What kind of help could you offer? _____

It is not our expectation that any of our volunteers will be assisting children or caring for vulnerable adults, however if you hold a DBS certificate, please tick here:

Please use the envelope provided to return your form, email it to info@hubcommunity.org or drop it into The Hub at St Peter's. We will respond to you as quickly as possible. Thank you.

The Parish Council will only use the data you provide for the purpose of assisting our community during the outbreak of Covid 19. The legal basis for processing in data protection legislation is the public interest in combatting the disease. Your data will be securely destroyed once the crisis is over. More information about your data privacy rights can be found on the Information Commissioner Office website at <https://ico.org.uk/>
