## Introduction

Peterchurch Parish Council is working with The Hub at St Peter's and Peterchurch Village Hall to support people in the Parish in meeting the challenges of Covid-19.

The aim is to ensure that Peterchurch and all its people pull together to support each other through the next few weeks and months, and to emerge as a stronger and even kinder community. We have a lot of natural and human assets to build upon in Peterchurch and must draw on these now to look after each other as well as we can.

Please remember you can donate non-perishable foodstuffs to the Community Larder at The Hub.

## The purpose of this leaflet

This leaflet aims to:

- Tell you about the plan;
- Ask you for your details now, if you wish to give them;
- Recruit volunteers to undertake various tasks;
- Ask you to let us know of anything else we should include in the plan;
- Provide contact information.

## The plan

The aim of the plan will be to provide support to those who are self-isolating because they have symptoms of the virus or because they fall into one of the vulnerable categories identified by Public Health England.

Help may be provided in the following ways:

- Maintaining regular contact via telephone or email;
- Shopping for and delivering food/essential items;
- Collecting and delivering prescriptions;
- Looking after pets/livestock when required.

## Asking for help or offering support

If you think you would like help or if you are in a position to offer support, please fill in the enclosed form and return it using the contact details provided.

If you don't want to give any information now you will be able to return your form later if you decide to do so.

**Note:** All personal information will be kept strictly confidential and managed according to the PC's data protection policy. This information will be destroyed when it is no longer needed.
