### St Peter's Church Improvement Project

#### Public Consultation 3<sup>rd</sup> May 2025 1pm -3pm

St Peter's Church and the Hub at St Peter's play a vital role in our community and we need to secure its future. The church and surrounding graveyard now needs extensive repair work to ensure its future as a valued community resource.

You are invited to this consultation event to give your views/have your say on the proposed project and fundraising plans. An extensive display showing all the proposed improvements will be on show and people on hand to explain the plans and answer any questions you may have.

We also want to hear YOUR views of what should be done.

All attending will be entered into a prize draw – the winning ticket holder will receive a £25 voucher to spend in the Hub Café. Complimentary ice cream available and also cider (over 18<sup>s</sup> only). Teas and coffee will also be provided.

We hope to see you at St Peter's Church/Hub on **3<sup>rd</sup> May**.
